

Home School Association

Gig Mill Primary School

Dear Parents/Guardians,

The HSA is a group of parents and school staff that work to support the school throughout the year. We organise and run events to raise money for the school. We regularly meet with the school to discuss events and funding. All of the members of the HSA are voluntary. As well as the elected members the HSA relies on parents and staff helping out at events to make sure they can do ahead. If you are able to help out at any events please email hsagigmill@gmail.com or speak to one of the members listed below.

Following the HSA Annual General Meeting the following were elected into the HSA for the school year 2023-24..
