HAPPY BIRTHDAY DUDLEY CASTLE

Did you know that Dudley Castle is celebrating its 950th birthday this year? The castle was originally built in the year 1070 just a few years after the Norman Conquest in 1066. It survived until 1750

when a 3-day long fire destroyed the castle and left us with the ruin that we have today. Dudley Castle is a huge part of our local history and a special place to be proud of. Why not join in the fun of celebrating 950 years of Dudley Castle and add your art-work, photographs and models to the virtual exhibition that has been organised as part of the celebration? You can find out more information [here](#).

Final date to submit entries is **11th July 2020** and every entry has a chance of winning a family ticket to Dudley Zoo & Castle.
