

## Remote-learning

Gig Mill Primary School

Together we care, together we succeed

Year Group: 2

WEEK BEGINNING: 18.10.21

This is an overview of the main areas of learning in Year 2 for this week which will link to the learning going on in school. Please use these as the main activities for remote-learning if your child is unable to attend school during this week.

### Maths

#### Oak Academy: Shape

[LESSON 1 - Identifying shapes by the number of vertices and sides](#)

[LESSON 2 - Identifying right angles in shapes](#)

[LESSON 3 - Recognising lines of symmetry with 2D shapes](#)

[LESSON 4 - Describing and sorting 2D shapes](#)

[LESSON 5 - Naming and describing 3D shapes](#)

#### Mental fluency:

Use this [fishing game](#) to practise your times tables.

Use this [game](#) to look at fact families.

### Irresistible Learning: (Fire and Ice)

#### History :

The month of October is Black History Month. This is an important time when we look back at how people fought for equality. Look at this [BBC Bitesize page](#) to learn more about black history. You could then do some extra research on Rosa Parks, Martin Luther King or Marcus Rashford.

Everyone is different and we should be celebrating our differences. This is what makes us unique and special. Draw a picture of you and your family. Think of some things that you like about you and your family and write these down.

### English

#### Oak Academy: Fiction

[How the Coyote Brought Fire to the Earth \(1\)](#)

(start at lesson 1 and continue with 1 lesson per day)

#### Phonics:

Use this Phonics Play [game](#) to read and sort words into real and alien words. Start with phase 3 and then see if you can play it with the **phase 5** sounds.

This week we are looking at the **au** and **ey** sounds. Can you think of any words with these sounds in?

#### SPaG:

Use this [BBC Bitesize page](#) to look at the use of adjectives.

#### Reading:

Log onto bug club and explore the books you have been allocated. See if you can complete the quizzes.

### Wellbeing- 5 steps to wellbeing- Keeping Safe

We can tell that the seasons are changing as the nights are getting darker. Soon it will be Halloween and bonfire night. These are very exciting times but we need to think about how to keep safe. We have learnt about fire safety in school. Think about how to keep safe on bonfire night and make a poster about this. Use this [link](#) to help you.
