

Year 2 Remote learning – Friday 10th March

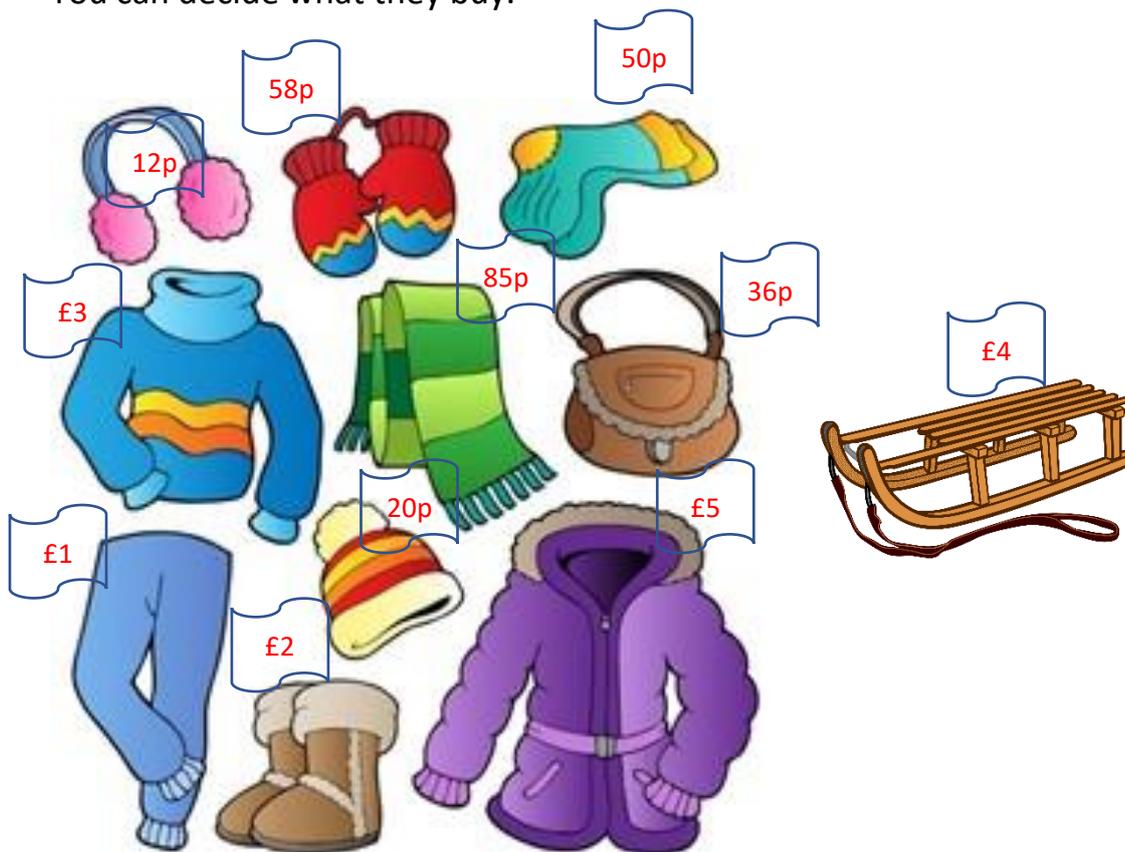

Hi everyone,

Hope you have had a chance to enjoy the snow!

Maths:

Linked to our work in Maths this week, we want you to work out how much it would cost Mia and Vincent to have fun in the snow.

You can decide what they buy.

Each person needs **at least**, shoes, trousers and a coat.

What would be the most expensive outfit?

What would be the cheapest outfit?

English

Link to our English descriptive writing, can you write a description of your street in the snow?

Remember to write about what you can see, hear, smell, taste and feel.

Use noun- phrases, similes and conjunctions.

Can you use a What/ How exclamation too?

You can use these images for inspiration if you want to.
