

Home-Learning

Year Group: 3	WEEK BEGINNING: 25/04/22
---------------	--------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

Maths

Oak Academy – this week we’ll be starting a unit on calculation strategies and place value. Complete a lesson each day (lessons 1-5) by clicking [here](#)

Challenge –

Lesson 1 – apply a range of strategies to mentally calculate addition

Lesson 2 - apply a range of strategies to mentally calculate subtraction

Lesson 3 – applying and subtraction strategies within context

Lesson 4 – applying commutativity and associativity to multiplication

Lesson 5 – using doubling and halving to calculate efficiently

Mental fluency Log into TT Rockstars. Try to focus on the 3 and 6 x tables. You could also try any other times tables that you know you need to practise. Click [here](#) . Remember to use the rolling numbers songs to help you.

Use the number cards to make different calculations with an estimated answer of 70

Irresistible Learning:

Art and Design: Are you ready for an exciting **Italian Adventure**? We are starting our new topic this week, look at some of these images and think how they link to our new topic. Create a title page for our new topic using lots of images related to Italy past and present. Add on what you already know about Italy and what you would like to find out this term.

Science: Light and Dark This week we begin a new unit on light. Complete the Oak Academy lesson entitled ‘What is Light?’ by clicking [here](#)

English

Oak Academy – this week we begin a new narrative unit called The Man on the Moon. Click [here](#) and start a new lesson each day (lessons 1-5)

Extra writing challenge: one of your Oak Academy lessons this week focuses on comparing two settings. Why not pick a favourite place of yours to visit (e.g. somewhere you’ve been on holiday or a day out you’ve been on). Compare this setting with your home. What is the same? What is different? Write a description of each.

Reading: Log onto [Bug Club](#) to see what books your teacher has given you to read. Perhaps you could create a book review of the book you most enjoyed reading.

Spelling: Log into **Purple Mash** and you will find your spelling list has been set as a **2do**. There is also a spelling quiz for you to complete. This week’s spellings are a **recap of spellings from the Spring term**.

Wellbeing -

World Earth Day was celebrated on April 22nd. It is a day to think about our planet and what we can do to look after it. Reflect on your actions and what you could do to help by saving water, recycling and protecting the environment where you live.

Make a pledge to do one thing differently to help look after our planet.
You could turn off the tap when you brush your teeth.
Recycle or reuse something instead of throwing it away.
You could tidy up your garden or plant some flowers to encourage more insects.
