

Year Group: Reception	WEEK BEGINNING: 25/4/2022
-----------------------	---------------------------

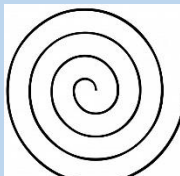

This is an overview of the main areas of learning in Reception for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

Number, shape & measures:
Number of the week: 11
 Watch [this video](#) to learn more about the number 11.

Shapes of the week: Cone.
 A cone is a 3D shape. How many faces does it have? Would it be a good shape to build a tower with?

Activity: Can you make your own pattern in a spiral shape. You could make a pattern using colours, shapes, socks or even your toys!

Communication, language & literacy
Word of the Week: Vegetable

Phonics
[Lesson 1](#)
[Lesson 2](#)

Lesson 3: Tricky words- no, of, to, into, she, he, we
 Revisit the tricky words and practise reading them. Can you spot them in other books?

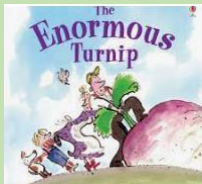

Reading: *Read these sentences. Can you spot the digraphs? (Remember 2 letters, 1 sound)*
The sheep march up the hill and into the sunset.
The queen has seven sheep and a shark.
We tell the farmer that his goat got into the shower.

Writing:
 Here are some words-**sharp, sheet, tooth, chart, corner, shorter, shower, march**
 Encourage your child to write these words by using their segmenting fingers to identify how many sounds are in the word. This will then help them to write the sounds they need to build the word.

The World/topic Irresistible Learning Topic: Growing

Activity 1: Listen to the story '[The enormous turnip](#)'. You could make your own puppets of the characters and re tell the story in your own words. You could even listen to [this story](#). Can you tell your grown up how this story is the same and different to the enormous turnip.

Activity 2: Grow your very own carrot top! Follow the instructions [here](#) to make your own!

Wellbeing- Respect. April 22nd is World Earth Day, the theme for this year is **Invest in Our Planet** It is important that we work together to look after the world around us. On World Earth Day we can take time to reflect on the changes that we can make every day to help protect our planet. Think about ways that you could make a difference:

- See if you can find some things at home to recycle
- Use public transport or walk, rather than take the car, for short journeys
- Talk to your family about what things you could do to help at home such as making sure you turn lights off when leaving a room.

Watch this video from the Go Jettors to find out more about climate change [Go Jettors on climate change](#)
