

Home-learning

Year Group: 3	WEEK BEGINNING: 8/11/21
---------------	-------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

<p>Maths Oak Academy – Angles and shape Please complete one lesson each day (lessons 6-10). Click here Lesson 6 – identify perpendicular lines Lesson 2 – draw perpendicular lines Lesson 3 – identify and explain parallel lines Lesson 4 – revise parallel and perpendicular lines Lesson 5 – identify rectangles including squares</p>  <p>Challenge: test your knowledge of parallel and perpendicular lines by completing this quiz</p> <p>Mental fluency: TTRockstars</p>	<p>English Oak Academy Monster Pizza Instructions lessons 6-10: we are continuing the unit on instruction writing. Click here and complete lessons 6-10 across the week.</p>  <p>Extra writing challenge: think about something you do regularly by yourself at home (for example, brushing your teeth or getting dressed). Write a set of instructions for how to do that thing. Try to include all of the features of instructions you have learnt about.</p> <p>Reading: Access the online edition of First News to find out what is happening in the world this week. Ask a parent or carer to fill in this form to get free access to the newspaper.</p>  <p>Spelling: continue with the unit on plurals – select lesson 4</p>
<p>Irresistible Learning (Topic)</p> <p>Irresistible Learning Topic: Storms and Shipwrecks History (Titanic) – find out what life was like on board the Titanic by following this BBC link. Choose one of the classes to focus on and imagine you are on the ship, just setting off on your exciting voyage! Write a letter to a friend telling them all about your experience and what the ship is like.</p>  <p>Science: this week we will be learning about the different food groups and why it is important to eat a healthy, balanced diet. Complete this Oak Academy lesson.</p> 	<p>Wellbeing As we look towards Remembrance Day, work through this lesson to learn why we commemorate this special day. Think about the special people in your own life. What have they done to help you? Write them a letter, write a special card or do something kind for them to show them that you appreciate what they have done for you.</p>
