Wellbeing – Creativity
 The last 12 months have been memorable for lots of reasons. Through the difficult times, we have all found moments to celebrate in our families but also as a country. Often special events are commemorated in new coin designs – which is where you are needed!

What will you choose as your design to celebrate the special achievements and memories from the last 12 months? You may wish to focus on a specific person, theme or event.
Upload a photo of your design to the Gig Mill Coin display board on Purple Mash.
