Wellbeing – Belonging to a Community
 Who lives in your home? Do you know where you live? The name of your road or place it is in? What things do you have near your home? Do you have any shops, village hall, church etc that might visit sometimes?
 You go to Giggles Nursery and it is part of Gig Mill Primary School, which is a community. Who are the adults that work in Nursery? Who are your friends? How do the adults make you feel like you belong to Nursery [have your own peg to hang your things, have your own card to turn over etc]
