Parent/Guardian Information

Can we take this opportunity to firstly thank parents for all their support, wonderful photos, and brilliant feedback! Parents told us that HAF had made lots of difference to them this Easter and the feedback from the children and young people has been overwhelmingly positive.

Important Information: There is no HAF provision or activity for May Half Term.

Summer HAF - we are planning lots of summer fun and frolics for when schools break up for the summer break.

Already Registered? If you have registered your child(ren) for HAF already the good thing, is you do not have to do anything! Do nothing but wait for an email from us that you will receive on the 6th June. Bookings will open 8th June – 8th July. Please check your email junk and spam and get in touch if you do not receive anything by email to info@dudleyCVS.org.uk

Not Yet Registered? If you are in receipt of income eligible free school meals because you are a low-income family, have children aged between 5 and 16 years and you have not previously registered or taken part in HAF activities, you will have three weeks to register your child. Registrations will open on 3rd May via our website <https://holidayactivitiesindudley.com/register-your-child/> and close on 26th May. This date will not be extended. If you struggle to register please ask school a family member or friend to help you.

We will of course get in touch after half term to keep you fully informed or you can follow us on our social media platforms (above) to keep up to date.

We have of course listened to your wishes and are working hard with our providers to ensure HAF helps make this summer super exciting for our families. A few of your suggestion are listed below
