Challenge: A grocer has 37 packs of bananas. Each pack contains 7 bananas. How many bananas are in the packs?

Mental fluency: Use [TTRS](#) to practise times tables.

Irresistible Learning: (Pharaohs and Pyramids)

Geography: This week, we are revisiting our learning on naming and locating UK cities and countries.

Task: Log into **Purple Mash** through **RM Unify**: Complete the 'UK Cities' and 'UK Countries' 2Dos.

Science: What is a food chain?

This week, we are learning to recognise that living things can be grouped in a variety of ways.

Watch [this video](#) to learn about identifying different classes of animal according to their attributes.

Task: Complete the 'What animal type am I?' 2Do. Choose an animal and answer the questions to work out what type of animal it is.

English

Oak Academy: [The Jabberwocky – Narrative Writing](#) (Complete lessons 5-8)

Writing Challenge: Should animals be kept in zoos? Why might people be *for* animals being kept in zoos? Why might people be *against* animals being kept in zoos? Create a for and against list. [Click here](#) to watch a short BBC clip about this topic. *Please share this work to the 'Year 4 – Should animals be kept in zoos?' Display Board.*

SPaG: This week, we are learning to spell 'ough' words. Practise spelling the words: **bought, brought, cough, rough, enough, although.**

Reading (Oak Academy): [Click here](#) to access lesson 2 of 'Walter Tull's Scrapbook' by Michaela Morgan. You will read about Walter Tull's early life, answer retrieval questions, consider the layout of the text and reflect upon his experience as a child.

You can also read books allocated to you here on [Bug Club](#).

Wellbeing – This week our theme is Respect.

April 22nd is World Earth Day, the theme for this year is **Restore Our Earth**. It is important that we have respect for each other and the world around us.

- Use this link to look at these fantastic ideas about how to reuse materials that you could try at [home](#). Research ways that you could reduce, reuse and recycle.
- Find out about different sources of energy that we use.
- Think of ways that we could use less paper at home and school.
- Find out some information about climate change and the impact it has on Earth.
