

Home-Learning

Year Group: 3	WEEK BEGINNING: 04/04/22
---------------	--------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

Maths

Oak Academy – this week we'll be completing our unit on fractions (parts and wholes).

Complete a lesson each day (lessons 6-10) by clicking [here](#) **Challenge** –

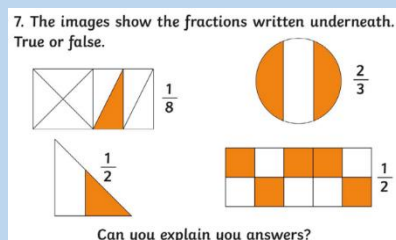

Lesson 6 – compare the size of parts and wholes

Lesson 7 – explore that the size of a part is relative to the whole

Lesson 8 – consider the part whole relationship

Lesson 9 – build a whole when a part is known

Lesson 10 – explore different contexts for building a whole when part is known

Mental fluency Log into TT Rockstars. Try to focus on the 4 and 8 x tables. You could also try any other times tables that you know you need to practise. Click [here](#)

Irresistible Learning:

Stone Age topic – this week we finish our Stone Age unit. Log into Purple Mash and there you will find two 2dos to complete. The first is a quiz all about the Stone Age and its different eras. The second is an opportunity to put yourself in the place of a Stone Age person and imagine how it would have felt to be alive in that time.

Science – we also complete our unit on plants this week. Follow this [link](#) to the BBC website. Watch the videos and complete the quiz to see what you have learnt during the topic.

English

Oak Academy – this week we follow a short unit on Mulan. Click [here](#) and start a new lesson each day (lessons 1-5)

Extra writing challenge: this week we complete our Stone Age IL topic. As your writing challenge this week, why not create a poster with everything you have learnt about the Stone Age. Include labelled diagrams and fact boxes. Make your writing look fun and appealing too.

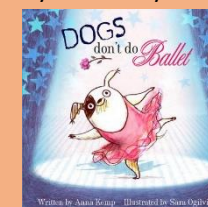

Reading: Log onto [Bug Club](#) to see what books your teacher has given you to read. Perhaps you could create a book review of the book you most enjoyed reading.

Spelling: Log into **Purple Mash** and you will find your spelling list has been set as a **2do**. There is also a spelling quiz for you to complete. This week's spellings are all **spellings we have covered already this half term**.

Wellbeing: British Values (Liberty)

This week we will focus on the British value of liberty. What does liberty mean to you? Liberty is all about your right to express yourself in any way you want to. You should feel free to share your ideas, dress how you want and be who you want to be! Watch the [video](#) of the book, Dogs Don't do Ballet.

In the story, Biff is excluded from ballet class because he is a dog. There are lots of ways children (or dogs!) can feel like outsiders because of expectations or stereotypes. Write a new version of this story to challenge a stereotype or assumption. For example, "Boys don't do _____," or "Girls don't do _____." Or you could use an animal like Anna Kemp did (the author of this book) "Snakes don't do cricket" or "Horses don't do football."
