

Giggles Nursery

We have been learning all about **frogs** this week. Have a go at learning the 5 speckled frog song. You may even like to draw or make your own frog using crafts from home.

Can you find **10** green items around your home? Can you draw a picture of your collection?

Our number of the week is **4**. Explore the number 4 through the interactive game below. Select the number four when beginning the game. Can you count 4 items around your home e.g. 4 socks, 4 oranges.....
