

Year Group: 2	WEEK BEGINNING: 25.04.2022
---------------	----------------------------

This is an overview of the main areas of learning in Year 2 for this week which will link to the learning going on in school. Please use these as the main activities for remote-learning if your child is unable to attend school during this week.

Maths

Oak Academy: Addition and subtraction (revisited) – complete one lesson each day (lessons 5, 6, 7, 8 and 10).

[LESSON 1 – Adding and subtracting tens from a 2-digit number](#)

[LESSON 2 – Adding two 2-digit numbers](#)

[LESSON 3 – Subtracting two 2-digit numbers](#)

[LESSON 4 - Adding and subtracting two 2-digit numbers](#)

[LESSON 5 – Consolidating addition and subtraction of 2-digit numbers](#)

Mental fluency:	Challenge:
Use this game to practise your adding 10 more to 2-digit numbers . Click on play game > Level 2 > Addition > up to 100 – ten more). You will need to jot your answers down on a piece of paper. Remember you can also log on to TT Rock Stars to practise your times tables.	

Irresistible Learning: Journeys into the Unknown

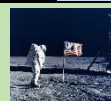

Are you ready for to go on an exciting journey? This week we are starting our new topic: **Journeys into the Unknown**. Look at these pictures and see if you can work out what we might be learning about this term.

Activity 1 (linked to new topic): A title page has been uploaded as a 2Do, you can complete this and then share it to our **Year 2 Journeys Display Board**. Add on what you already know about journeys and what you would like to find out this term.

Activity 2 (linked to Earth Day): Use this link to look at these fantastic ideas about how to reuse materials that you could try at home ([click here](#)).

You could reuse a plastic bottle and make a hanging planter, or make a picture using some old scraps of paper.

English

Oak Academy: Baba Yaga: openings - complete a new lesson each day (lessons 1-5).

Extra writing challenge: watch the trailer for the book 'Return' by Aaron Becker ([click here](#)). Describe the mythical creature in the story. Predict: where do you think the mythical creature will take the family?

Kinetic Letters (handwriting): Now we have gone through all the letter families, practise the following letter pairs from the [abracadabra family](#): co, ca, cd, ad, cg, cq and cs.

Phonics/SPaG: This week we are starting the Year 2 spelling rules (phase 6 phonics) and we are focussing on the rule: adding -ed (past tense) and -ing (present tense) to root words where the last consonant of the root word is doubled to keep the vowel 'short' e.g. drop changes to dropped/dropping. Add -ed and -ing to the following root words: pat, hum, skip and hop. What do you notice about the root word 'mix'?

Reading:

- Choose a book to read from home or log on to [Bug Club](#) and explore the books you have been allocated. Before you read the book, **predict** what you think may happen in the story.
- Read the latest edition of the **First News** newspaper [here](#) - you will find lots of interesting articles and reports on different interesting topics. *Your parents will need to sign up to the **free** subscription first.*

Wellbeing

This week our whole school theme is: **Respect**.

On April 22nd it is World Earth Day and the theme for this year is **Invest in our Planet**. It is important that we have respect for each other and the world around us. On World Earth Day we can take time to reflect on the changes that we can make every day to help protect our planet.

Think about ways that you could make a difference:

- Research ways that you could reduce, reuse and recycle.
- Find out about different sources of energy that we use.
- Think of ways that we could use less paper at home and school.

Find out some information about climate change and the impact it has on Earth.
