### Communication, language & literacy

#### **Word of the Week:**

**Reading** We are sharing the story of **Jack and the Beanstalk** this week. Listen to the story together [Jack and the Beanstalk](#). What did Jack's Mum ask him to do? What happened to the beans? What was at the top of the beanstalk? What happened at the end of the story?

**Phonics** Apsect 5 Alliteration. Say 'Fee, fi, fo, fum' what sound can you hear at the beginning of each word? Really emphasize this sound as you say each one. Now try saying 'Hee, hi, ho hum' and do the same again.

**Writing/Mark Making:** See if you can draw your own beanstalk like the one in the story.

#### **Wellbeing- Sun safety**

This week is National Sun Awareness Week. We have been lucky to enjoy some warmer weather recently but it's always good to be reminded about safety in the sun too. Listen to this song about how you can stay safe in the sun.

[Tips for Staying Safe in the Sun](#) How can you stay safe in the sun?

**Perseverance** is the school value that we are focussing on this week – remember to always do your best and to keep going, even when things are tricky. Perhaps you can keep persevering with getting yourself dressed in the morning, or doing up your own zip, or something else you are trying hard to learn to do by yourself.
