

Remote learning

Year Group: 5	WEEK BEGINNING: 26.4.21
----------------------	--------------------------------

This is an overview of the main areas of learning in Year 5 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths: Place value review Mental fluency: [TTRockstars](#) 

Oak Academy: Addition and subtraction review

Lesson 1 Using and explaining addition strategies ([Click here](#))

Lesson 2 Using and explaining addition and subtraction strategies ([Click here](#))

Lesson 3 Adding and Subtracting using multiples of 10,100, 1000 etc. ([Click here](#))

Lesson 4 Adding and subtracting using the round and adjust method ([Click here](#))

Lesson 5 Adding and subtracting using partitioning ([Click here](#))

Challenges

Broken calculator "The 9 and 5 keys on my calculator are broken!" How can I use it to work out: 997 + 995 457 - 192 195 + 165	Explain the mistakes Mistake 1 20 - 16.9 4.1	Mistake 2 2000 - 70 1030	Mistake 3 537 - 294 5 3 7 - 2 9 4 3 6 3
---	--	--------------------------------	---

Additional Maths
There are some **2Do**s set on Purple Mash linked to addition and addition and subtraction. Play this [daily 10](#) game to improve fluency.

Irresistible Learning (Topic) – Stars and Stripes

Map work: Looking at this [website](#) about mapping the world, can you locate North America? Play this map [game](#) to locate some of the countries in North America. Look at this [game](#) to locate capital cities as well.

States and flags: Watch [the video](#) about the American states. Choose a state to research and make an informative poster about it. You could research: What is the state famous for? Are there any landmarks? What is the state flag? Try this states [quiz](#).

Science: Animal life cycles – Watch [video 1](#) and [video 2](#) to learn about animal life cycles. Using the picture here or the **2Do** on Purple Mash, draw the life cycle of one of the animals from the video – include pictures and labels to describe what happens at each stage. **Share this to our Year 5 Display board.**

English

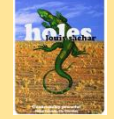

Oak Academy: [Macbeth](#) – Start at lesson 1 then continue with one lesson per day.

Writing challenge
Use [this link](#) and [this link](#) to find out about and listen to the story of Hamlet. Did you know the Disney story/film the Lion King is loosely based on Hamlet? Can you write your own characters for a modern version of Hamlet? Describe what they would look like and a little about their personalities.

SPaG: Spelling: silent letters – Practise spelling these words: doubt, island, lamb, debt, climb, knife, knob, could, should, answer, yacht, vehicle. Complete the spelling **2Do** quiz on Purple Mash too.

Reading: Read chapters 4-6 of 'Holes' by Louis Sachar (uploaded as a **2Do**). Complete the **2Do** by answering comprehension-based questions – check your own answers using the final page.

Reading for pleasure - Log into [Bug Club](#) and read your allocated books and have a go at answering the questions. It's also 'Poetry Reading Day' on 28th April – use this [website](#) to enjoy some poets reading their best known poems.

Read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the [free subscription first](#).*

Wellbeing – Rights and respect

Watch the video [here](#) – after watching, think about 'How we can show others respect?' You don't always have to agree with someone to respect their point of view. Think about **2 more** ways you can be respectful to the people at home this week. Closely linked to our school value of respect is the word 'rights.' How many different children's rights can you remember? Listen to the song [here](#) to remind you. Write a song/poem about respects and rights using these words as the chorus **'I respect you and you respect me / Being respectful is the right way to be.'**
