

Year Group: 4 **WEEK BEGINNING: 02.05.22**

This is an overview of the main areas of learning in Year 4 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths White Rose-Multiplication

Lesson 1 - [Divide 2-digits by 1-digit](#)

Lesson 2 - [Divide 2-digits by 1-digit](#)

Lesson 3 - [Divide 2-digits by 1-digit](#)

Lesson 4 - [Divide 3-digits by 1-digit](#)

Maths Challenges-can you complete these challenges?

Use <, > or = to complete the following:

8 ÷ 1 ○ 7 ÷ 1

6 ÷ 6 ○ 5 ÷ 5

4 ÷ 4 ○ 4 ÷ 1

Explain how you know for each sentence. Draw an image or show it in a concrete way.

Gary

If $6 \times 12 = 72$
then
 $12 \div 6 = 72$

Is Gary correct?

Explain your answer.

Mental fluency: [TTRockstars](#) Complete **2dos** set on Purple Mash linked to multiplication and division. Play [‘Hit the Button’](#), [daily 10](#) and monster multiplication on Purple Mash to practise your times table and division facts.

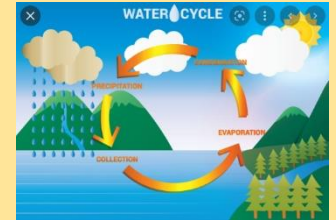

English: Oak Academy:

We are continuing to work on the narrative unit The Borrowers (lessons 14-15) [click here](#).

We will then start on the unit the explanation unit Chocolate Making (lessons 1-2) [click here](#).

Writing Challenge: Explanation texts

We are continuing to learn about the water cycle, watch this [clip](#) and then write an explanation about the four stages of the water cycle. Look at the diagram to help you. Include a diagram with labels to support your explanation.

SPaG

Spelling - Please complete the **2do Quiz –Summer1 week 2** and look, cover, say, write sheet on Purple Mash.

Reading

Log into [Bug Club](#) and read your allocated books and have a go at answering the questions. Read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the [free subscription first](#).*

Irresistible Learning Topic –

Geography: Name and find mountain ranges in the UK and other countries. Do you know the names of any mountains or mountain ranges? What can you find out about these UK mountains?

Ben Nevis- Scotland

Snowdon-Wales

Slieve Donard-Northern Ireland

Scafell Pike England

Use the interactive [map](#) to zoom in and see if you can

find the UK mountains and then explore other countries in Europe to find their mountain ranges.

Science: States of matter

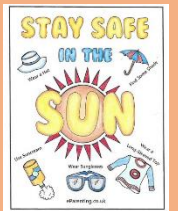

Can you name some different types of gases? Investigate what happens when you blow through a straw to make a paper object move or what happens when you squeeze a sponge under water? Look outside at the trees moving in the wind. Can you explain what is happening? Do you think that you can ever see gases? Write an explanation about what you have found out.

Wellbeing – Sun safety week

We are now in the summer term so it is important that we think about how we keep safe in the sun.

Look at these tips below linked to Sun Safety.

- Spend time in the shade during the sunniest part of the day when the sun is at its strongest, which is usually between 11am and 3pm in the summer months
- Avoid direct sun exposure
- When it is not possible to stay out of the sun, keeping yourself well covered, with a hat, T-shirt, and sunglasses can give you additional protection
- Apply sunscreen liberally to exposed areas of skin. Re-apply every two hours and straight after swimming or towelling in order to maintain protection
- So, keep covered up, stay out of the sun at the hottest time of day and don't be stingy with the sun cream!

Write your own top tips for keeping safe in the sun to share with your friends.
