

Coronavirus (COVID-19): Risk Assessment Action Plan for opening from September 2021

Gig Mill Primary School

Assessment conducted by: A Hannaway D Edgar	Job title: Headteacher Chair of Governors	Covered by this assessment: Gig Mill Primary School
Date of assessment: 2.9.21	Date of next review: 1.10.21 / 1.11.21 / 1.12.21	

Final version September 2021

The sole purpose of this risk assessment is to support schools in preparing for all pupils, in all year groups, to return to school full-time from the beginning of the autumn term **while reducing the risk of coronavirus transmission.**

- For the purpose of this risk assessment, the term ‘coronavirus’ to refer to coronavirus disease 2019 (COVID-19). Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment. (this must take into consideration all types of workers including agency workers, casual staff and contractors and any other adult on site as well as your permanent staff).
- This risk assessment is not exhaustive and is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school.**
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.
- For further reference, <https://www.gov.uk/government/latest?departments%5B%5D=department-for-education> including the documents below, issued from 11 May 2020 onwards:

Key:	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern. This list is not exhaustive, and schools should add/amend/delete where appropriate e.g. risks for pupils with complex needs.

Final version September 2021

Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context.
Impact:	Could be L/M/H or numeric, depending on what is used in the school setting.
Likelihood:	Could be L/M/H or numeric, depending on what is used in the school setting. NB IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.
Responsible person:	The identified staff member(s) responsible for implementing the risk controls.
Completion Date:	The date by which required plans for controls will be in place.
Line Manager Check:	Sign off to ensure that the risk has been minimised as far as possible.

Risk Description/Area of Concern	Level of risk prior to control	Risk Controls	Level of risk is now	Likelihood	Responsible person
The school lapses in following national guidelines and advice, putting everyone at risk	L	<p>To ensure that all relevant guidance is followed and communicated:</p> <ul style="list-style-type: none"> The school to keep up-to-date with advice issued by, but not limited to, DfE, NHS, Department of Health and Social Care and PHE, and review its risk assessment accordingly Information on the school website is updated. Pupils updated via classrooms as necessary. Any change in information to be shared with Chair of Governors and passed on to parents and staff by email <p>As a result, the school has the most recent information from the government, and this is distributed throughout the school community.</p>	L	L	AH DE
Poor communication with parents and other stakeholders	M	<ul style="list-style-type: none"> All staff/pupils aware of current actions and requirements and reminded frequently using school communication systems Headteacher to share risk assessment with all staff Parents notified of risk assessment plan and shared with parents via website. <p>As a result, all pupils and all staff working with pupils are adhering to current advice.</p>	L	L	AH DE

Risk Description/Area of Concern	Level of risk prior to control	Risk Controls	Level of risk is now	Likelihood	Responsible person
Lack of awareness of policies and procedures	STAFF L	<ul style="list-style-type: none"> • School leaders will ensure that all policies impacted on by coronavirus controls are updated • All staff, pupils and volunteers will make themselves aware of all relevant policies and procedures including, but not limited to, the following: <ul style="list-style-type: none"> - Health and Safety Policy - Infection Control Policy - First Aid Policy - Intimate care policy - Behaviour policy - Staff absence reporting procedures • All staff have regard to all relevant guidance and legislation including, but not limited to, the following: <ul style="list-style-type: none"> - The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 - The Health Protection (Notification) Regulations 2010 - Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' - DfE and PHE (2020) 'COVID-19: guidance for educational settings' - Updated guidance in place for September 2021 • The relevant staff receive any necessary training that helps minimise the spread of infection, e.g. updated infection control training if an outbreak occurs • Staff are made aware of the school's infection control procedures in relation to coronavirus via weekly briefing / email / updates as required • Parents are made aware of the school's infection control procedures in relation to coronavirus via letter/email / texts/poster at entrance to school – they are informed that they must contact the school as soon as possible if their child is symptomatic / has returned a positive LFD / PCR test result • Pupils are made aware of the school's infection control procedures in relation to coronavirus via a coordinated programme of delivery from staff on the morning of their first day in school. Care should be taken to do this for every pupil even if they do not attend on the first day. All are informed that they must tell a member of staff if they begin to feel unwell. <p>As a result, all staff and pupils are aware of the policies and procedures in place to keep themselves safe in school.</p>	L	L	AH DE AP, AG, RW <u>All staff</u>

Risk Description/Area of Concern	Level of risk prior to control	Risk Controls	Level of risk is now	Likelihood	Responsible person
Poor hygiene practice in school - general	M	<ul style="list-style-type: none"> • Infection control procedures are adhered to as far as possible in accordance with the DfE and PHE's guidance • Posters are displayed at the entrance to the school, around school and in every classroom reminding staff, pupils, parents and visitors of the hygiene practice required in school • Pupils to wash their hands with soap before and after break times and lunchtimes for no less than 20 seconds • Teachers to reiterate key messages in class-time (when directed) to pupils to: <ul style="list-style-type: none"> - Cover coughs and sneezes with a tissue, - To throw all tissues in a bin - To avoid touching eyes, nose and mouth with unwashed hands. • Additional alcohol-based sanitiser (that contains no less than 60 percent alcohol) and tissues to be provided for the school reception area, dining hall, classrooms and other key locations for staff, pupils and visitors • Sufficient amounts of soap (or hand sanitiser where applicable), clean water, paper towels and waste disposal bins are supplied in all toilets and kitchen areas • Hand washing facilities are supervised by staff when pupils are washing their hands to avoid overcrowding in hand washing areas • Pupils and staff do not share cutlery, cups or food. • Staff to bring in their own cups and utensils • All utensils are thoroughly cleaned before and after use • Additional cleaning in the instance of an outbreak to include door handles, doors and extra cleaning of toilets during the day. Paper/hand towels are refilled regularly. Sinks & spare handtowels in every classroom • All staff and pupils made aware of raised importance of good hand hygiene with new variant of Covid 19 making it more easily transmissible.
