Wellbeing – Mental Health Day (Hello Yellow)

The theme for this year's mental health day is 'remembering that we all struggle with how we're feeling sometimes. **But the little things you do can make a BIG difference.**'

Why don't you have a go at making a 'Kindness Paper Chain?' When you are linking the paper together think of ways that you could show kindness towards others. If you want to you could get a grown-up to help you write the words on the strips e.g. patient, helpful, good friend.
