

# Home-learning

Year Group: 3	WEEK BEGINNING: 14/02/22
---------------	--------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

**Maths**  
**Oak Academy** – this week we’ll be continuing our unit on time. Complete a lesson each day (lessons 6-10) by clicking [here](#)

Lesson 6 – exploring units of measured time  
 Lesson 7 – measuring time in seconds  
 Lesson 8 – calculating and comparing intervals of time  
 Lesson 9 – applying knowledge of time to solve problems  
 Lesson 10 – further applying knowledge of time to solve problems

**Challenge –**

Quarter past is always later than quarter to.

Do you agree with Teddy?  
Explain why.

**Mental fluency [TT Rockstars](#)** Choose the times tables that you know you need to practise – in school we have recently covered the 4 and 8 x tables.

**Irresistible Learning:**  
**History/Art - Dig It topic**  
 This week we will be learning about prehistoric beasts. Follow this [link](#) to find out lots of information about prehistoric beasts. Which is your favourite? Then click [here](#) to follow a step-by-step guide for how to draw a woolly mammoth. Once you have drawn your woolly mammoth, add some colour. You could use crayons, felt tips or even paint. If you do have paint, why not experiment with mixing different colours?

**Science – Rocks and Soils**  
 This week we’ll complete our unit on Rocks and Soils. Our final lesson helps us to understand the steps in the rock cycle. Click [here](#)

**English**  
**Oak Academy** – this week we continue our unit on Portia spiders – non-chronological reports. Click [here](#) and choose a new lesson each day (lessons 6-10)

**Extra writing challenge:** write a letter to a friend or relative telling them all about the Portia spider. Explain to them why they should learn about these spiders and why the spiders are so interesting.

**Reading:** Log onto [Bug Club](#) to see what books your teacher has given you to read. Perhaps you could create a book review of the book you most enjoyed reading.

**Spelling:** Log into **Purple Mash** and you will find your spelling list has been set as a **2do**. There is also a spelling quiz for you to complete. This week’s spellings are a recap of ones which we have previously covered this half term.

**Wellbeing –Media Literacy**  
 This week in our RHW lessons, we will be thinking about how the internet can be used positively. Have a think about all of the times you and your family use the internet in a week e.g., online shopping, playing games, researching information for homework projects. Think about all the great things that being able to go online allows you to do. Draw a table like the one on the right and fill in the spaces.

Things I use the internet for:	Reason why this is a good thing:
