

Year Group: 2	WEEK BEGINNING: 08.03.2021
---------------	----------------------------

This is an overview of the main areas of learning in Year 2 for this week which will link to the learning going on in school. Please use these as the main activities for remote-learning if your child is unable to attend school during this week.

Maths

Oak Academy: Addition and Subtraction (revisited)
[LESSON 1 - Using number bonds within 20 for addition](#)
[LESSON 2 - Using number bonds to 20 for subtraction](#)
[LESSON 3 - Adding and subtracting ones from a 2 digit number](#)
[LESSON 4 - Adding and subtracting multiples of 10](#)
[LESSON 5 - Adding and subtracting tens from a 2 digit number](#)

Mental fluency:	Challenges:
Use this game to practise your number bonds to 10 (click on number bonds and then make 10). Remember you can also log on to TT Rock Stars to practise your times tables.	

Irresistible Learning: Out of Eggs

Science- Looking for signs of Spring
 Did you know that Spring officially started on 1st March? This week we are looking at the signs of Spring. Do you know what things start to grow in Spring? Watch this video ([click here](#)) to find out more about Spring and how it affects plants and animals.

Activity 1 – Spring Hunt: Explore your garden or your local area/park and see if you can see any signs of Spring. Things you might look for: flowers blooming (crocuses, snowdrops, daffodils), blossom on trees, birds nesting, baby animals arriving (lambs), insects and warmer weather. Sketch or take photos of the signs of Spring that you see on your Spring Hunt.

Activity 2 – Signs of Spring Poster: Create a poster for the different signs of Spring – include pictures and labels. You can do this on paper and e-mail your work to your teacher via 2Email on Purple Mash or you can use the poster template set as a **2Do** on Purple Mash. Have a go at sharing your work to the **‘Year 2 Spring’ Display Board**.

English

Oak academy: Recount: news report (continued from last week) - complete a new lesson each day (**Lessons 6-10**).

Extra writing challenge: Listen to the story ‘The Dot’ by Peter H Reynolds ([click here](#)). What did the little girl, Vashti, learn in the story? Write a couple of sentences explaining what you think might happen to the boy after he signed his own picture. (You might also want to learn the actions to *The Dot Song* – [click here](#).)

Kinetic Letters (handwriting): Practise your capital letters – Curved Lines Group ([click here for the video](#))

Phonics/ SPaG: This week we are recapping some of the Year 2 Common Exception Words (door, floor, poor, find, and kind). Complete the spelling quiz set as a **2Do** on Purple Mash. We would also like you to practise writing the **days of the week** using the [Little Bird Spelling](#) game on Topmarks. (Select Y2 and practise spelling the words: **Monday, Tuesday, Wednesday, Thursday, Friday, Saturday and Sunday** in the eighth bird box from the left.) Remember the days of the week are proper nouns and therefore need a capital letter.

Reading:

- **Reading for pleasure** – read the latest edition of the **First News** newspaper [here](#) - you will find lots of interesting articles and reports on different interesting topics. *Your parents will need to sign up to the [free subscription first](#).*
- Log on to [Bug Club](#) and explore the books you have been allocated.
- You might also enjoy listening to these [free audio stories](#).

Wellbeing – Being mindful

This week, we want to take time to think about some of the positives from the time we have had recently.

- Use a real jar or create your own picture of a jar like the one in this picture. Decide on your theme – *jar of laughter, jar of hopes and wishes*. Decorate your jar and add ideas to your jar that remind you of positive feelings you’ve had and happier times still to come this year.
- Make your own mindful minute bookmark using ideas [here](#). Focusing on your senses can help to restore a feeling of calm when you are anxious or worried.
