Wellbeing – Take Notice

The Big Garden Birdwatch takes place from **28th-30th January.**
Click to have a look at the RSPB website where you can sign up. It is simple to take part you just have to spend an hour counting the birds that you see in your garden or from your window. You could take part as a family and join in with the world's largest wildlife survey. There are lots of resources on the website to help you identify different birds along with things to make and activities that you could do as a family.
Most of all have fun taking notice of the world around us.
