Irresistible Learning Topic Made in the Midlands

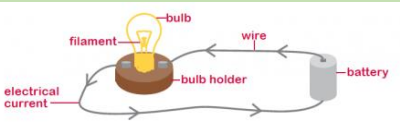

Canal Art

The canal boat owners took great pride in their boats, painting beautiful designs onto their boats and many items used on board the boat, such as jugs, spoons or plates. Watch the video [here](#) to see how roses can be created using paint. Practise painting some roses on plain paper ahead of our artwork next week.

Science – Complete this Oak Academy lesson [here](#) about circuit diagrams using our learning from previous weeks about circuit symbols.

Can you use the scientific symbols (and a ruler!) to draw this circuit using the symbols?

English: Oak Academy English SPaG focus - word level (complete the lessons 1 - 5)

*****Additional Writing Challenge:** Watch the video link [here](#). Based on the details in the video, write a newspaper report to describe the regeneration of the Lapal Canal from Halesowen to Selly Oak. Think about who to include quotes from e.g. a local MP, a young person who would like to Kayak on the new canal. Think about the difference in language and tone each quote would contain. Use the template set on Purple Mash and save to our **Y6 History display board**.

RE Focus Day – Comparing Jewish and Christian pilgrimage

Watch the video [here](#) to find out more about the Jewish religion. One important aspect of being Jewish is to visit the holy city of Jerusalem. Find out more from this first-hand account of a teenager's first visit to Jerusalem [here](#). Research some of the places that Christians visit on pilgrimage – how does this compare with the Jewish believers reasons for journeying to Israel?

Task: Write a postcard home as if you have been on a pilgrimage – include some of the highlights of the trip and what it means for your faith like the girl in the video.
