

Year Group: Reception	WEEK BEGINNING: 7/2/2022
-----------------------	--------------------------

This is an overview of the main areas of learning in Reception for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

Number, shape & measures:
Number of the week: 7
 Watch [this video](#) about our number of the week.
 Can you draw 7 spots? How do you see the spots? Can you tally the number 7? Is the number 7 odd or even?

Shape of the week: Pyramid
 A pyramid is a 3D shape. It has 5 faces. Would it be a good 3D shape to build a tower?

Activity 1: Find a coat hanger and choose up to 8 pegs to clip onto it. How many different ways could you split up the pegs?
Activity 2: Watch the episode of number blocks [odds vs evens](#). Have a selection of socks. Choose a number between 1-10. Collect the amount of socks and pair them up. Is there one left over? Is the number odd or even?

Communication, language & literacy
Word of the Week: Diet

Phonics
Lesson 1: [Review and practise blending](#)
Lesson 2: [Review and practise blending](#)
Lesson 3: [Review and practise blending](#)
Lesson 4: Tricky words- **she, he, of, her, go, no, to, the, into**. Write them down and practise reading them.

Reading: Listen to the story Spinderella by Julia Donaldson. Can you tell an adult what happened in the story? You might even pause the story and predict what might happen next.

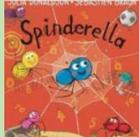

Writing: Here are some words- **cups, pots, ship, dogs, ring, long, buzz, chick, fish**. Encourage your child to write these words by using their segmenting fingers to identify how many sounds are in the word. This will then help them to write the sounds they need to build the word.

The World/topic **Irresistible Learning Topic: Healthy Eating**

Activity 1: On Espresso search for healthy eating. Click on the foundation module and watch the videos about healthy and unhealthy eating. Then listen to this [song](#) and join in the dancing!

Activity 2: Can you make a healthy plate? What would you put on your plate? You might draw, collage or even use some role play food to make your plate. Can you think of other ways to stay healthy? Listen to the story [Spinderella](#). What happens in this story that would keep you healthy?

Wellbeing- Safer Internet Day

It is Safer Internet Day on Tuesday 8th February. Safer Internet Day is celebrated globally in February each year, to promote the safe and positive use of digital technology for children. This is particularly important currently, as we are spending much more time using devices and being online.

You can watch this video [Keeping safe online - BBC Bitesize](#) which explains in a simple way what to do if something pops up on a device you are using and how you can stay safe online.
