RE: The Christmas Story

This week we are looking at the Christmas story and why people celebrate Christmas. Do you know the story of when Jesus was born? Use this [link](#) to read through the Christmas story. You could also use this [video](#).

For your task this week, we would like you to make a story board showing each step of the Christmas story. You could draw a picture and write a sentence for each part of the story.

English

Oak Academy: [Non-Chronological report- All about Witches](#) (Lessons 5 - 10)

Extra writing challenge:

Write a letter to Santa. You could tell him how good you have been this year and tell him what you would like for Christmas.

Phonics/ SPaG:

Use this [game](#) to practise spelling some of our year 2 common exception words. These are words that are tricky to spell because we can't use our phonics to sound them out.

Reading:

Log onto [bug club](#) and explore the books you have been allocated.

Here are some questions you could think about related to **sequence of events**:

What happened after _____?

What happened before _____?

Wellbeing- Reflections about 2021

Think back over the year we have had in 2021. Think about what you have enjoyed this year and what you hope for next year. Design and make a card for someone who is special to you to tell them what they mean to you.
