

# Wearing a face mask

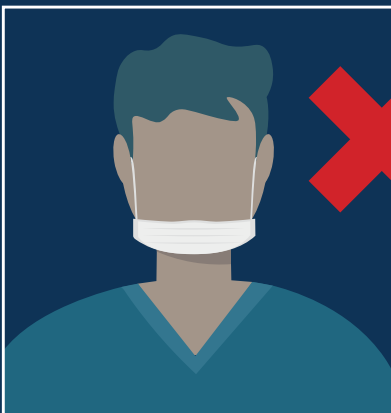

**DO** ensure the mask covers your mouth, nose and chin.

**DO** remove the mask from behind ears (touch ties/loops only).

**DO** change/wash regularly or discard in waste receptacle.

**DON'T** wear the mask under your chin, around neck or over one ear.

**DON'T** touch or readjust the mask once worn.

**DON'T** remove the mask to cough or sneeze.
