

TOGETHER WE CARE, TOGETHER WE SUCCEED

To parents and children at Gig Mill,

We are all trying to make positive changes to our new lifestyles during COVID19. Lots of children, parents and staff have been trying out something new – such as keeping fit, gardening, baking and lots more. Here’s an idea shared by one of our parents. Click on the link to enter a design a book token competition with lots of prizes, if everyone joins in and shares the link, together we have chance to win £5000 of book tokens for classes and school. How amazing would that be?

Hoping that you may have had the opportunity to try out some of the VE days ideas on our website – or a few of your own. We would love to see your pictures - thank-you to all of those children and families who have used our new email address, it’s been a great way to stay in touch with school. Keep working hard children – your teachers are really pleased with your home learning – well done! (Remember please include year group in the title and let us know if you are happy for us to share your child’s work or photographs via the website).

This week a message is being sent out by teachers2parents, so you will be able to read a letter from your class teacher.

We will continue to update our website with the latest information, we do not yet have any further information from Government or the Local Authority, but will let you know as soon as we can. Thank you all for your continued support at this challenging time, take care and stay safe.
