

Year 5 – Week 10 – Weekly Activities

Topic (Art - History - Geography)

American Food:

This week we would like you to develop your cooking skills! First, research traditional American dishes [here](#). Then design a three course (American themed) menu. Try to describe each dish using lots of interesting adjectives. **Tip:** divide an A4 piece of paper into thirds- give the headings: starter, mains and desserts. Draw or describe each dish.

Challenge:

Try to make or taste some American dishes if you can. Think about: how you would improve the dish? How could you make it healthier? What you would rate it out of 10? **Tip:** Try this simple American pancake [recipe](#).

French This week use a card game to revise numbers 20-60

On one set of cards write the numbers in pink below. On a separate set of cards, write the same numbers out in French (in bold below). Do this for all of the numbers. Lay all of cards out, face down on a table. Find the matching cards by turning over two cards at a time. Try and make your own number cards too!

vingt 20 trente 30 quarante 40 cinquante 50 soixante 60
vingt et un 21 trente-cinq 35 quarante-huit 48

Music

Sing along to the [‘Wouldn’t it be funny’](#) song.

Maths Oak Academy- Week 11-(click here)

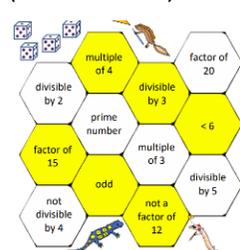

Complete the tasks over this week – **one maths lesson per day** completing the maths quiz, main activity and final quiz.

Arithmetic challenge:

Test your arithmetic [here](#).

Puzzle challenge:

Have a go at this [maths game](#) to develop your vocabulary and addition skills. If working off-line, maybe draw or print off the grid below. Use 4 dice (or roll 4 times) add up the 4 numbers and find the total on the hexagon grid. Cover your hexagon – first person to get 3 in a row wins!

Computing

Linked to our cookery, go to Purple Mash- click ‘2Dos’. Create a picture of your American dish. **Tip: Don’t forget to save/exit then select ‘hand in’ so we can view your work.** If working off-line, maybe do this task by hand instead and send us a photo by email.

Science – Magnetic Forces

See this [video](#) for an explanation of how

magnets work by using their poles to attract or repel objects.

English Oak Academy-Week 11- (click here)

Complete the tasks over this week – **one English lesson per day.**

Challenge:

Write a recount of your time during lockdown. Keep it for memories in the future. **Tip: If you wish, write in the style of a diary entry.**

SPaG Challenge:

Select rows 9 & 10 from the [spelling list](#):

Appreciate, disastrous, marvellous, secretary, attached, embarrass, mischievous & secretary.

- Look up the meaning.
- Write it in a sentence.
- Ask an adult to test your spellings.

Reading:

Continue to read or [listen](#) to a story for at least 20 minutes a day.

Look at the book you have been reading or listening to. Select one of the tasks below and answer the questions about your book:

Transition – Looking back

Take time this week to look back over your time in Year 5.

Draw a road like the image below and add in some of your favourite memories from this school year along the road. These could be about your favourite topic, a fun time with your friends and your teacher or be about a visit/ visitor.

Remember to think about the things you are most proud of and the things you have achieved.

PE

Try this daily workout. Can you improve your strength and speed?
