Did you know that Dudley Castle is celebrating its 950th birthday this year?

The castle was originally built in the year 1070 just a few years after the Norman Conquest in 1066. It survived until 1750 when a 3-day long fire destroyed the castle and left us with the ruin that we have today. Dudley Castle is a huge part of our local history and a special place to be proud of. Why not join in the fun of celebrating 950 years of Dudley Castle and add your art-work photographs and models to the virtual exhibition that has been organised as part of the celebration? You can find out more information [here](#). Final date to submit entries is **11th July 2020** and every entry has a chance of winning a family ticket to Dudley Zoo & Castle.

 Parachute fun – you can use a blanket or a quilt cover as your parachute. First practise lifting it up and down, then try doing it fast/slow. Now add items to see if you can toss them off/keep them on. Try heavy things and light things. Which is easier to keep on/get off? Have fun! Under water yoga adventure - [yoga video](#)
