## **Charging & Remissions Policy**

September 2022

An abstract graphic at the bottom of the page consists of several overlapping, semi-transparent geometric shapes. The primary colors are various shades of green, with some grey and light blue elements. The shapes are layered, creating a sense of depth and movement, and they appear to be part of a larger, partially visible design.

## **CHARGING AND REMISSIONS POLICY**

### **Introduction**

This policy has been formulated in accordance with the Authority's guidance on: Charging for School Activities.

### **Aim**

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which contributions will be requested from parents.

### **Responsibilities**

The Governing Body of Gig Mill Primary School is responsible for determining the content of the policy and the Headteacher for implementation.

### **Prohibition of Charges**

The Governing Body of Gig Mill Primary School recognises that the legislation prohibits charges for the following:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum; (this does not include specific lessons through DPA)
- education provided on any trip that takes place during school hours;
- education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of religious education;
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local education authority has arranged for pupils to be educated;

## **Publication of Information**

A summary informing parents of this policy is included on the school website. The full policy will be available at the school office for any parent and will specify what charges are/are not to be made and for which activities voluntary contributions will be invited from parents.

## **Charges**

At Gig Mill we do not wish to penalise any child due to financial hardship of the family.

The only charges that will be made are in relation to Out of School Hours activities:

- Before and After School Club (OSCA)
- a number of clubs run by outside organisations / tutors.

Our Finance & General Purposes Committee ensures session costs are relevant and affordable.

School charges for PGL Adventure trip but always supports families who are in financial hardship. Transport for this trip is always paid by school in order to keep parental costs to a minimum.

## **Remissions**

This school only asks for contributions towards the costs of a residential visit.

## **Voluntary Contributions**

Parents are invited to make a contribution towards the following costs:

- a) the proportionate costs for an individual child of activities occurring within school hours. This contribution might cover/ partially cover the cost of travel, materials and equipment and entrance fees.
- b) Swimming lessons.
- c) one off extra curricular activities / after school activities
- d) breakages and replacements as a result of damages caused wilfully or negligently by pupils

The terms of any request made to parents will specify that the request is for a contribution. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request
- c) that if there are insufficient contributions to make an activity financially viable, the activity will not go ahead

The responsibility for determining the level of contribution is delegated to the Headteacher. Planned activities which provide additional enrichment or enhancement of the curriculum may be cancelled if the total level of contribution is such that the school enrichment budget cannot afford to meet the other costs that would be incurred. Activities that are essential as part of the National Curriculum will take place regardless of the level of contribution received from parents and carers.

**Review date: September 2023**
