Wellbeing - Caring for the Earth

It is **World Oceans Day** on the **8th June**. Did you know that about 1 million seabirds die from plastic every year?

Why not start a campaign about the use of plastic bags in your community? Or think of ways to help protect our sea creatures. Have a look at these [example campaign posters](#) for inspiration (scroll down for the different images).

Or you can design a poster or a pin badge that would help save the Ocean. You could encourage others to protect creatures such as turtles or penguins.
