

Year 3– Week 9 – Weekly Activities

Topic (History)

Italian Adventure

ROMAN GODS

The Romans worshipped hundreds of gods who looked after one aspect of life.

Activity one –

Learn about 10 of the major gods [here](#). Read through the slides up to page 23 to see what each god has control over. Optional - If you want to read on about some of the other gods then go ahead!

Roman gods word mat

Activity two –

Log onto [Purple Mash](#)> click on the **2Dos** tab at the top. You will find a task set on **Roman Gods** (research and write about Roman Gods.) You need to write in some of the facts you have read about for different Roman gods. Alternatively, you could make a factfile or poster on paper about some of your favourite Roman Gods you have read about in Activity one.

Computing Go onto [Purple Mash](#)> click on the **2Dos** tab at the top. You will find a task set on **Roman Gods** (Match the Roman Gods.)

Maths

Oak Academy – Week 10

Click [here](#) to access a maths lesson once a day. *Complete the maths quiz, main activity and final quiz.*

Challenge

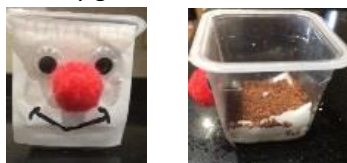

Kieron has three cats. Each is a different weight. The first and second weigh 7kg altogether. The second and third weigh 8kg altogether. The first and third weigh 11kg altogether. What is the weight of each cat? Can you write your own maths problem like this one?

Arithmetic Practice

Practise your arithmetic skills playing [countdown](#).

Science Photos!

Mrs Priestley has planted her cress seeds with her children. This is one of the pots they created. They decorated the pot to make a funny face and followed the instructions under the science section. Let's see how they grow next week!

English

Oak Academy – Week 10

Click [here](#) to access an English lesson once a day.

Challenge

Have a go at writing a poem. You could make a list of things that make you happy then use this to write an acrostic poem about your feelings.

TIP – An acrostic poem is where the first letter of each line spells out a word vertically. Click here if you need more information.

Reading

Try to read for 20 minutes a day. You could take a look [here](#) for the top 10 poems that all children should read.

Science – Plants

This week we are planting our seeds!

1. First, wet some kitchen roll and place it in the bottom of your pot/eggshell.
2. Next, wet some cotton wool and place it on top. Leave 3cm between the cotton wool and the top of the pot.
3. Sprinkle a teaspoon of cress seeds over the cotton wool and press down gently with your finger.
4. Place the pot in a warm, light place like on a window sill. Spray your seeds with a little water everyday to keep the cotton wool moist.

Make two predictions - how long will it be until the seeds start to sprout and how long will it be until the cress is fully grown?

TIP: Measure the height of the cress every day using a ruler and record it.

Wellbeing- Resilience and Perseverance

This week, we are continuing with the resilience and perseverance theme. Your task is to try to learn a new skill! Possible ideas include learning to:

- Juggle
- Knit
- Bake a cake
- Play an instrument
- Sign your name using sign language

French

Click [here](#) to learn the French song Léon La Chaméléon (Leon the Chameleon) about colours. See if you can sing along.

TIP: Here are some useful phrases to learn.... Can you recognise them in the song?

- Change de couleur** – He changes colour.
- Quel polisson** – What a little terror he is!
- Où est Leon?** – Where is Leon?
- Comme un/du** - Like a
- On a trouvé Leon** – We've found Leon
- Avec son frère Gaston** – With his brother Gaston
- Dans un sac de bonbons** – In a bag of sweets

Chantez la chanson – Sing the song

PE- One more move game

Play this with a family member. The first player performs a trick with a ball (e.g. balance, catch, ball movement.) The second player must then copy the move and add a different move each time. Continue, adding a new move each time. The player who performs the sequence without a mistake wins!
