

Year Group: Nursery	WEEK BEGINNING: 25/4/2022
---------------------	---------------------------

This is an overview of the main areas of learning in Nursery for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

**Number, shape & measures:**  
Counting/addition/subtraction Have a go at drawing a road for any toy cars you have at home or you could get your grown up to draw some. Draw some parking spaces and put some cars in the spaces. How many spaces are there? You could tell stories such as if one car drives off how many will you have now. If 2 more arrive how many cars are parked now? How many spaces are empty if 3 are parked etc.

**Irresistible Learning Topic: Moving Along- Transport on the road**  
Our new topic for this term is Moving Along and we will be finding out about different types of transport and talking about holidays.

**Activity 1** What is your favourite transport that travels on the road? It could be a car, bus, lorry, tractor or bike for example. See if you can draw/ paint a picture of it. What do you know about that form of transport? See if you can describe it to your grown up.

**Activity 2** Watch this programme all about road machines.  
[Graces Amazing Machines-road machines](#) What did you find out? Which road machine was your favourite?

**Activity 3** See if you can sing along to [The Wheels on the Bus](#)

**Communication, language & literacy**  
Reading We are going to be sharing the book **Please Don't Chat to the Bus Driver**. Listen to the story here [Please Don't Chat to the Bus Driver](#). Can you remember what things the bus driver did when the animals were talking to him?

Phonics Alliteration Bertha the Bus activity- watch this video [Bertha the bus at the zoo](#) and see if you can play along.

Writing Practising pencil control by drawing roads with pencils, felts or chalks on the ground for cars, lorries etc to go on.

**Wellbeing- Respect.** April 22nd is World Earth Day, the theme for this year is **Invest in Our Planet** It is important that we work together to look after the world around us. On World Earth Day we can take time to reflect on the changes that we can make every day to help protect our planet. Think about ways that you could make a difference:

- See if you can find some things at home to recycle
- Use public transport or walk, rather than take the car, for short journeys
- Talk to your family about what things you could do to help at home such as making sure you turn lights off when leaving a room.

Watch this video from the Go Jetters to find out more about climate change  
[Go Jetters on climate change](#)
