 This week it is walk to school week and, to celebrate, there is a **five-day walking challenge** for you to complete at home. Your challenge is to complete **10 minutes** of walking, scooting or cycling each day. Walking helps to keep us fit, support our mental wellbeing, improve our concentration and makes the streets a less-polluted and safer place to be. All of the above helps us to be happy, healthy and succeed in our learning.
