Lesson 5: Tricky words- **my, by, all**
 Revisit the tricky words and practise reading them. Can you spot them in other books?

Reading: *Read these sentences. Can you spot the digraphs? (Remember 2 letters, 1 sound)*
We curl and turn in the surf.
Pop down to the town with me.
Join me in the park.
I can hear the owl in the night.

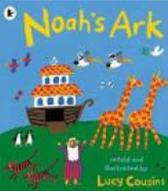

Writing: Here are some words- **turn, hurt, down, now, join, boil, hear, near**
 Encourage your child to write these words by using their segmenting fingers to identify how many sounds are in the word. This will then help them to write the sounds they need to build the word.

The World/topic **Irresistible Learning Topic: Noah's Ark**

Activity 1: Listen to the story [Noah's Ark](#). Can you draw some pictures to help you remember the story? Which animals went on the ark?

Activity 2: Listen and sing along to the song ['The animals went in two by two'](#). You could make your own puppet animals to sing along with.

Activity 3: Paint a picture of Noah's Ark and the animals. If you don't have paint you might use crayons, chalk or even some of your toys to show the story.

Wellbeing- Being Mindful

This week, we want to take time to think about some of the things we are looking forward to.
 Use a real jar or create your own picture of a jar like the one in this picture.

Decide on your theme – **jar of laughter, jar of hopes and wishes.**
 Decorate your jar and add ideas to your jar that remind you of positive feelings you've had and happy times still to come this year.
