

Year Group: 6	WEEK BEGINNING: 22/2/21
---------------	-------------------------

This is an overview of the main areas of learning in Year 6 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

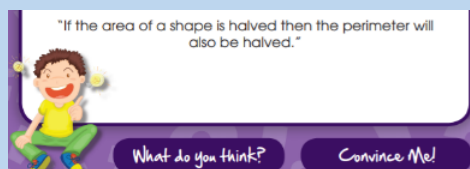

Maths: Oak Academy Measures – Area & Perimeter

- L1 Standard units ([Click here](#))
- L2 Standard Lengths ([Click here](#))
- L3 Solving Problems with Length ([Click here](#))
- L4 Calculating the area of triangles and parallelograms ([Click here](#))
- L5 Calculation and conversion of units of area ([Click here](#))

White Rose videos for extra support for worksheets set as 2do:

[Area and Perimeter](#), [Area of a triangle \(2\)](#), [Area of a parallelogram](#)

Additional challenges:

- Complete the Maths 2dos on Purple Mash.

Mental fluency: TTRockstars

Here is a tiled floor pattern. It is made from squares.

Work out the perimeter of the design. Give your answer in metres.

Irresistible Learning Topic: Magnificent Maya

History – Watch [this clip](#) to find out more about the different job roles in Maya society. Then using the PowerPoint saved as a **2do**, explore the roles further considering the hierarchy of different jobs. **Or** research job roles yourself - which role would you have preferred and why?

Art – This week we are creating the Maya mask designs you made before half term. Follow the guidance in the PowerPoint saved as a **2do** for some inspiration on how to achieve your finished mask. You will ideally need cardboard (e.g. a cereal box) but you can use paper if needed. Hunt around the house for extra things you could add for decoration e.g. feathers, spare buttons, bottle tops and add colour using what you have at home. The photo here shows one created in school last year. Take a photo of your finished mask and upload to our **Y6 Maya Masks display board** by sharing from 'My Work' using the button.

French - Create your own 16x16 square word search and hide the numbers below (add your own too, if you have space): dix (10) vingt (20) trente (30) quarante (40) cinquante (50) soixante (60) soixante-dix (70) quatre-vingts (80) quatre-vingt-dix (90) cent (100). Challenge a family member to find them.

English Oak Academy: New Unit - Sherlock Holmes (complete lessons 1 – 5 of this new unit which includes reading, writing and SpaG elements)

Additional Writing Challenge: Creative writing focus 2 –

Watch this short clip '[Ruckus](#)' Download the activity pack for this clip [here](#).

Tasks:

1. Consider the questions on pg.3 about the clip.
2. Use pg. 4-7 to write a desert setting description.
3. Use pg. 8-9 to design your own wanted poster, include a persuasive choice of vocabulary.

SPaG: 1. Complete the spelling **2do quiz on Purple Mash**.

2. Linked to this week's spellings use the information on this link [here](#) to learn more about silent letters. Complete activities 1-4.
3. Complete this silent letters word search [here](#).
3. Play the Crystal Explorers challenge game [here](#) - selecting spelling as your focus but you may want to try the other areas too.

Reading

- [A career in Computer Games - Anthony Horowitz](#) – complete lesson 1
- This week we are starting a new text which you will find uploaded as a **2do**. Read **Ch1 Flight** and then answer the questions also uploaded as a **2do**. Save your answers in the document and hand in on Purple Mash.
- **Reading for pleasure** – read the latest edition of the *First News* newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the free subscription first.*
- Don't forget there are books for you on [Bug Club](#).

Wellbeing – Get Active

One of our 5 ways to wellbeing that you will be familiar with in school is '**Get Active**' – whilst spending lots of time at home and on screens more this is more important than ever. Schedule in a time each day this week to be active using some of these ideas here:

- **60 second challenges** - [climb the mountain challenge](#), [squat jump challenge](#)
- Join in this workout for children at home [here](#).
- Click [here](#) and complete the **Try your best: football tricks** challenges.
- Most of all have fun doing something that keeps you active each day.
