Wellbeing – Reflections about 2021

As we are coming to the end of 2021 its time to reflect on another unpredictable year. Think about the things you value and appreciate now – how has this changed since the start of the year?

Task 1 - Write a year review reflecting on your achievements. What have you enjoyed most about 2021? Was it the summer holidays or starting year 4? What was the most challenging thing you did this year? What do you want to achieve next year? What are you most proud of this year? We would love to see your reviews. You can send them via **2email** on Purple Mash.

Task 2 - Design and make a card to send to someone before Christmas to tell them what they mean to you.
