

Remote learning

Year Group: 5	WEEK BEGINNING: 14.3.22
---------------	-------------------------

This is an overview of the main areas of learning in Year 5 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths: Decimals and measure Mental fluency: [TTRockstars](#)

Oak Academy:
Lesson 1 – Decimals: To demonstrate and describe linear number ([Click here](#))
Lesson 2 – Decimals and measure: Standard units ([Click here](#))
Lesson 3 - Decimals and measure: Convert standard lengths ([Click here](#))
Lesson 4 - Decimals and measure: solving problems with length ([Click here](#))
Lesson 5 - Decimals and measure: Calculate areas of shape ([Click here](#))

Challenges
Have a go at some of the measurement games on the [Top marks](#) website. There are some more games on this [website](#).

Additional Maths
There are some **2Dos** set on Purple Mash linked to decimals and measure

Irresistible Learning (Topic) – The Greeks

Science: Phases of the Moon Look at the explanation of the moon and its different phases [here](#). Then complete the 2Do labelling the different phases of the moon and email the work to your class teacher.

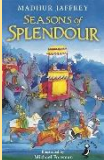

IL: Greek Theatre. The Ancient Greeks loved the theatre, read about the Ancient Greek theatres [here](#). Complete the 2Do creating an information leaflet about the Ancient Greeks' theatres.

Peter Thorpe Art: Peter Thorpe is an abstract artist. Visit Peter Thorpe's website [here](#) to read about how he creates his rocket art and see his futuristic paintings [here](#). Have a go at painting a space themed picture in the style of famous artist Peter Thorpe. You don't have to use paint – you could use chalk, crayons or pencils to create the same effect. Email a picture of your art to your class teacher.

English
Oak Academy: Narrative – [The viewer](#) – Start at lesson 1 then continue with one lesson per day.

Writing challenge Based around our focus multi-cultural text for this week *'Seasons of Splendour,'* which is a rich collection of mythological tales drawn from a great heritage of Hindu epics, can you write a myth or story with a moral or special meaning. Watch [this video](#) about the elephant God Lord Ganesha to help.

SPaG: Spelling: cy, ce, sy, se words – Practise spelling these words: *advise advise device devise licence license practice practise prophecy prophesy* and using them in sentences – spelling sheet uploaded as a **2do** – the sheet does not need to be handed in. Also try the **2Quiz** to practise other words ending in able and ably.

Reading: Set as a **2Do**, you will find the book, 'Who Let the Gods Out' as a PDF. Please read Chapter 9 and answer the questions, sections A-D, set as a separate **2Do** – you can write on this document, save it and send it via 2email to your class teachers. If you want to, you can try the *challenge activities*.

Reading for pleasure - Log into [Bug Club](#) and read your allocated books and have a go at answering the questions.

Oak – lesson 2-Develop reading for pleasure through discussion of favourite characters.

Wellbeing – Being Happy

- On 20th March it is *International Day of Happiness*. Click [here](#) and scroll down to the video to find out what makes some children happy.
- Watch [this video](#) and think about 5 things that could bring happiness to all children around the world.
- On Friday 18th March, we will be thinking about Comic Relief. This year's theme- *'Share a Smile'* encourages us all to share the power of a smile to make people happy. Find some jokes to share with your family – you may want to use [this sheet](#) here to display one in your front window to make others smile.
