Irresistible Learning (Topic)
Storms and Shipwrecks

Geography and Art: we found a letter from Tom Jacobs last week. He is stranded on a desert island! In class we are going to be practising our map drawing skills by drawing a map (from a bird's eye view) of what Tom's island might be like. We will also draw a key to go with our map.

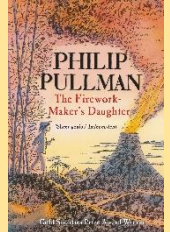

You could draw a map of what you think Tom's island looks like or, if you prefer, a place that you are familiar with, such as a local park. Remember to make the map really clear and don't forget the key!

Map Key

English
Oak Academy: [The Firework Maker's Daughter](#) complete a new lesson each day (lesson 1-5). You can also watch this [video](#) to learn more about the story.

Extra writing challenge: write a poem about a happy memory from the summer holidays. It could be a trip out somewhere, a day spent with friends, a family barbeque or a holiday maybe. Remember that poems don't have to rhyme!

Reading: Access the online edition of First News to find out what is happening in the world this week. Ask a parent or carer to fill in this [form](#) to get free access to the newspaper.

Spelling: Complete the spelling lesson 1 to investigate suffixes: past and present - [click here](#)

Wellbeing- Keeping Safe
 This week we will be thinking about rules and why they are so important.

What rules do you have at home? What would happen if you didn't have those rules?

With your family, create a home charter: write down all of your home rules.

Make sure every family member signs it to say that they will strive to follow the charter at all times.

House Rules

- Eat and drink only in the kitchen
- You make a mess, you clean it up
- Try everything on your plate
- No hitting, kicking, or biting
- Tell the truth
- Keep your promises
- Say please and thank you
- Work hard
