Canal Art

The canal boat owners took great pride in their boats, painting beautiful designs onto the exterior and many items used on board the boat, such as jugs, spoons or plates. Watch the video [here](#) to see how roses can be created using paint. Use your practice techniques to apply a rose design to a paper plate or wooden spoon – whatever you have at home to decorate. Upload a photo of your design to our **Y6 History display board**.

PSHE – Having looked at equality in job opportunities – complete this unit [here](#) about employment.

Wellbeing – Looking back

Take time this week to look back over your time in Year 6. Draw a road like the image below and add in some of your favourite memories from this school year along the road. These could be about your favourite topic, a fun time with your friends and your teacher or a favourite lesson. Remember to think about the things you are most proud of and the things you have achieved.

Although transition feels a bit different this year, look at the video [here](#) to find out more what it might be like when you start secondary in September.
