

Remote learning

Year Group: 4	WEEK BEGINNING: 03.05.21
---------------	--------------------------

This is an overview of the main areas of learning in Year 4 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths

Daily lessons:
[LESSON 1 – Dividing 3-digits by 1-digit](#)
[LESSON 2 – Problem solving: Choosing operations](#)
[LESSON 3 – Problem solving: Using all four operations](#)
[LESSON 4 – Consolidating division strategies](#)

Challenge: A class of 24 children plan to go boating.

Mental fluency: Use [TTRS](#) to practise times tables.

(a) If all the children take small boats, how many small boats will they need?
Answer: _____

(b) If all the children take big boats, how many big boats will they need?
Answer: _____

(c) Can you offer some other suggestions for renting the boats?
Answer: _____

English

Oak Academy: [The Jabberwocky – Narrative Writing](#) (Complete lessons 14-17)

Writing Challenge: For your writing challenge this week, we would like you to write a diary entry about a journey you took down the Amazon river through the Amazon rainforest. What was your journey like? What could you see around you? Remember to start with 'Dear Diary', describe where the events happened, talk about how you were feeling or what you were thinking and write in the past tense.

SPaG: This week, we are learning to spell words with the 'sh' sound spelt 'ch'. Practise spelling the words: **chef, machine, brochure, chalet, moustache, parachute.**

Reading (Oak Academy): [Click here](#) to access lesson 4 of 'Walter Tull's Scrapbook' by Michaela Morgan. You will read about Walter Tull's time in WW1 and find out about his daily routine and the uniform that he wore.

You can also read books allocated to you here on [Bug Club](#).

Irresistible Learning: (River Deep, Mountain High)

Geography: This week, we are researching about rivers around the world!

Task: Find out about significant rivers from around the world and create a fact file. [Here](#) is a link to help you. Think about:

- Where in the world is the river?
- How long is it?
- What is it used for?
- Any other interesting facts

Art: Create a scene of rivers and mountains ([click here](#) for tutorial.) Use whatever materials you would like to, such as crayons, felt pens, paint, collage or any other idea you have. **Please share this work to the 'Year 4 River and Mountain art' Display Board.**

Wellbeing – Sun Safety

This week is **National Sun Awareness Week**. We have been lucky to enjoy some sunnier weather recently but it's always good to be reminded about **safety** in the sun too.

- Watch the video ([Click here](#)) about the Science behind the sun cream.
- After watching the video talk to someone in your family about what you have learnt about sun safety and how certain skin types are more sensitive.

Come up with a plan for how to stay safe in the sun this summer!
