

Year Group: Reception	WEEK BEGINNING: 23/5/2022
------------------------------	----------------------------------

This is an overview of the main areas of learning in Reception for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

Number, shape & measures:

Number of the week: 15

Watch [this video](#) to learn about the number 15.

Shape of the week: Sphere

A sphere is a 3D shape. It has one face. Can it roll? Would a sphere be good at the bottom of a tower? Can you find something shaped like a sphere around your house?

Activity: Count to bigger numbers!

How far can you count? Can you count past 20?

You might count how many jumps you do or even your steps around the house.

Can you count forwards and backwards from different numbers?

Communication, language & literacy

Word of the Week: Emergency

Phonics

Lesson 1

Lesson 2: New tricky words- some, come, love, do

Revisit these tricky words (reading and writing them)- my, by, like

Reading: *Read these sentences. Can you spot the digraphs? (Remember 2 letters, 1 sound)*

The chimp sits on the bench to munch a carrot.

The foxes hunt at night in the dark.

Bring me the truck so I can plug it in.

Writing:

Here are some words- **munch, chest, milk, shelf, smash, crack, dress, bring**

Encourage your child to write these words by using their segmenting fingers to identify how many sounds are in the word. This will then help them to write the sounds they need to build the word.

The World/topic Irresistible Learning Topic: People who help us- Doctors and Nurses.

Activity 1: On Espresso search 'People who help us-Health workers' and explore the foundation module by looking at the pictures and watching the videos. Listen to and learn [this](#) song about People who help us.

Activity 2: Can you design and make your own ambulance that moves? You might use recycled materials or some of your toys.

Wellbeing- Queen's Platinum Jubilee

It is the Queen's Platinum Jubilee during half term. That means she has been on the throne for 70 years! There will be lots of celebrations going on around the country and where you live. You could celebrate by making some bunting, decorating a biscuit with white, blue and red icing and sprinkles or having a picnic in your garden.
