

## Remote-learning

Gig Mill Primary School

Together we care, together we succeed

Year Group: 2

WEEK BEGINNING: 03.01.2022

This is an overview of the main areas of learning in Year 2 for this week which will link to the learning going on in school. Please use these as the main activities for remote-learning if your child is unable to attend school during this week.

### Maths

**Oak Academy: Place Value**

[Lesson 1: identifying tens and ones in a 2-digit number](#)

[Lesson 2: comparing numbers within 100 on a number line](#)

[Lesson 3: comparing 2-digit numbers](#)

[Lesson 4: ordering numbers within 100](#)

**Challenge: Making numbers in different ways.**

Choose a number from 1-100 and see how many different ways you can make that number.

E.g.  $20 + 4 = 24$   $14 + 10 = 24$  ...

**Mental fluency:**

Log onto [TT Rock Stars](#) and go onto garage mode to practise your times tables.

### Irresistible Learning: (Out of Eggs)

This term we are starting our new topic 'Out of Eggs'. This topic helps us to explore animals and their habitats.

**Science:** This week we are looking at whether something is living or not.

Animals and plants are living things. Some things may have been alive at one time but are no longer living. Use this [link](#) to explore this.

**Task:** make a table with living things and non-living things at the top. Can you draw and write some things for each of these categories? Can you think of any things which were alive once but aren't anymore?

### English

**Oak Academy:** [How butterflies came to be \(Lessons 1-5\)](#)

**Extra writing challenge:** Watch the story [Croc and Bird](#) being read by Alexis Deacon the author. Can you write some sentences about how the croc and bird are the same and how they are different?

**Phonics/ SPaG:**

This week we are looking at the alternative 'ow' sound and 'ie' sound.

'ow' can be said as 'oa' like in **snow** and **rowing**

'ie' can be said as 'ee' like in **brief** and **priest**

Can you think of any other words that use these alternative sounds?

**Reading:**

Log onto [bug club](#) and explore the books you have been allocated.

Here is something you could think about related to **sequencing**:

Use three sentences to describe the beginning, middle and end of the story.

### Wellbeing – Happy New Year – 2022

We are now in 2022. This week we would like you to think about the new year ahead.

Consider these questions: What are you excited for in 2022? What will you miss about 2021? What are your goals for the year ahead?

At the beginning of a new year, people think about what they would like to focus on that year and set themselves a goal called a new year's resolution. Can you write a new year's resolution for 2022?
