This is an overview of the main areas of learning in Reception for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

When you have drawn your picture can you write down the initial sound of the object that you have drawn? What other sounds can you hear? Can you write them too?

Well Being- Reflections about 2021

It has been a very different year in 2021. Think about what you have enjoyed most about starting school in Reception this year. It could be making new friends, doing a particular activity or playing with a certain toy. Can you tell your family about them?
