

Remote learning

Year Group: 5	WEEK BEGINNING: 24.5.21
---------------	-------------------------

This is an overview of the main areas of learning in Year 5 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths:
Oak Academy: Fractions
Lesson 1 – [Add and subtract fractions fluency](#)
Lesson 2 – [Multiply a fraction by a whole number](#)
Lesson 3 – [Multiply a mixed number fraction](#)
Lesson 4 – [Fractions of quantities 1](#)
Lesson 5 – [Fractions of quantities 2](#)

Mental fluency: [TTRockstars](#)
Play this [daily 10](#) game to improve fluency.

Challenges

How many ways?
 $\frac{1}{5} + \frac{2}{\square} = \frac{\square}{20}$ The answer must be a proper fraction
Level 1: I can find a way
Level 2: I can find different ways
Level 3: I know how many ways there are

Explain the mistake
 $\frac{3}{4} \times 5 = \frac{15}{20}$

How many ways?
 $\frac{\square}{4} \times \square = 3\frac{3}{4}$
Level 1: I can find a way
Level 2: I can find different ways
Level 3: I know how many ways there are

Additional Maths
There are some **2Dos** set on Purple Mash linked to fractions.

Irresistible Learning (Topic) – Stars and Stripes

Repeating Images

Andy Warhol used repeated images of famous people in different colours to create some of his most famous portraits.

Art: Andy Warhol – Use [this link](#) to find out who this artist is and [this link](#) related to some of his paintings. Have a go at creating your own repeating image using bright colours. **Share this to our Y5 display board.**

Science: Use [this video](#) to recap what you know about the life cycles of different organisms. Use this link and watch the different videos to review your learning. If there is a quiz, you can complete this as well to see how much you can remember. Present your work on the 2Do set to showcase your learning from our animals and humans topic.

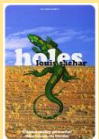

English
Oak Academy: [Oliver Twist](#) – Start at lesson 1 then continue with one lesson per day.

Writing challenge
Discussion Text – Watch [this video](#) to remind yourself how to write one. Using your plan from last week, write a discussion text about ‘Watching television is a waste of time.’ Remember to include: introduction, arguments for and against and a conclusion. You need to use causal conjunctions, third person, formal language, statistics and cohesive devices.

SPaG: Spelling: – Practise spelling these words: pollen, pollinate, apology, apologise, length, lengthen, deep, deepen, pure, purify, stomach, soldier.
Complete the spelling **2Do** quiz on Purple Mash too.

Apostrophes – use [this lesson](#) to revise using apostrophes.

Reading: Read chapters 8 and 9, complete the activity sheet set as a **2Do**: Letter home.

Reading for pleasure - Log into [Bug Club](#) and read your allocated books and have a go at answering the questions. Read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the [free subscription first](#).*

RE
Religions around the world have special texts that are important to them. Find out more [here](#) about the Christian text ‘The Bible.’ Why is it special to Christians and how do they use it?
Look at [this website](#) to refresh your understanding of Hinduism and their holy books. Do they have one holy book? Why are these special to them and how do they use them?

Write about how the religion of Hinduism started and the core beliefs – there is a lot of information on the **2Do** related to their holy books. Think about what is similar and different between these religious texts. How are these texts important to the individual, the community and the wider world?
