

Year Group: Nursery	WEEK BEGINNING: 23/5/2022
---------------------	---------------------------

This is an overview of the main areas of learning in Nursery for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

Number, shape & measures:

Counting: Count out your passengers (toys) for an aeroplane. How many are getting on? If some get off, how many are left? Give your passengers a numbered ticket. Put your passengers in the right order.

Irresistible Learning Topic: Moving Along- Transport in the air
Our topic for this term is **Moving Along** and this week we are looking at air travel.
Activity 1 Make some different types of aeroplanes. Use a cardboard box or things round your house. Can you make an aeroplane for your teddy? Is it just for one or can it take passengers? Where is the aeroplane going? Make some tickets for your passengers.

Activity 2 See if you can make hot-air balloon with a basket. You could use an old balloon, card or paper.

Communication, language & literacy

Reading We are going to be sharing the book **The Blue Balloon**. Listen to the story here [The Blue Balloon](#) by Mick Inkpen. What happened in the story? What was your favourite part? Where would you like the balloon to take you?

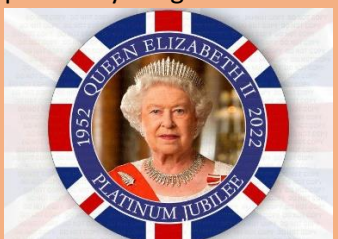

Phonics Alliteration We are making some silly soup today. See if you can put in 3 items of food that begin with the same letter 'p' e.g. pear, popcorn and a plum. Can you think of 3 ingredients beginning with 'b'?

Writing You can practise pencil control by drawing some simple hot-air balloons and some clouds in the sky.

Wellbeing- Queen's Platinum Jubilee

It is the Queen's Platinum Jubilee during half term. That means she has been on the throne for 70 years! There will be lots of celebrations going on around the country and where you live. You could celebrate by making some bunting, decorating a biscuit with white, blue and red icing and sprinkles or having a picnic in your garden.
