

Year Group: Reception	WEEK BEGINNING: 16/5/2022
------------------------------	----------------------------------

This is an overview of the main areas of learning in Reception for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

Number, shape & measures:

Number of the week: 14
Watch [this video](#) to learn about the number 14.

Shape of the week: Cuboid.
A cuboid is a 3D shape. It has 6 faces. Can you spot something around your house that is shaped like a cuboid?

Activity: Watch this video reading of the book '[Which one doesn't belong ?](#)' by Christopher Danielson. Pause the video to discuss the different pages. Can you discuss with your grown up which one you think is the odd one out?

Communication, language & literacy

Word of the Week: Recycling

Phonics
Lesson 1

Lesson 2: Tricky words- the, I, go, no, of, you, said, so, have, like
Revisit the tricky words and practise reading them. Can you spot them in other books?

Reading: *Read these sentences. Can you spot the digraphs? (Remember 2 letters, 1 sound)*
Help the farmer put up the tent.
Lift up the lamp so I can see the lump.
I have lost my belt by the pond.

Writing:
Here are some words-**went, help, jump, lift, best, soft, fact, pond**
Encourage your child to write these words by using their segmenting fingers to identify how many sounds are in the word. This will then help them to write the sounds they need to build the word.

The World/topic Irresistible Learning Topic: Recycling

Activity 1: Listen to the story [Michael Recycle](#)
What do you know about recycling? How do you recycle at home? Can you help your grown up to recycle some things at home. On Espresso search **Going Green** and explore the module by watching the videos and looking at the pictures.

Activity 2: Using some recycled materials at home have a go at making a musical instrument and explore the sounds that you can make.

Wellbeing- Walk to school week

This week it is walk to school week and, to celebrate, there is a **five-day walking challenge** for you to complete at home. Your challenge is to complete **10 minutes** of walking, scooting or cycling each day. Walking helps to keep us fit, support our mental wellbeing, improve our concentration and makes the streets a less-polluted and safer place to be. All of the above helps us to be happy, healthy and succeed in our learning.
