Wellbeing – Being mindful

This week, we want to take time to think about some of the positives from the time we have had recently.

- Use a real jar or create your own picture of a jar like the one in this picture. Decide on your theme – *jar of laughter, jar of hopes and wishes*. Decorate your jar and add ideas to your jar that remind you of positive feelings you've had and happier times still to come this year.
- Make your own mindful minute bookmark using ideas [here](#). Focusing on your senses can help to restore a feeling of calm when you are anxious or worried.
