Remembrance Day focus:

On Sunday 14th November, it is Remembrance Sunday. It is an important time to remember all those in the past who gave their lives for our freedom today. Take time also to think of all the people this year who have given their time to help others through the Coronavirus Pandemic such as nurses and doctors. Ask an adult to help you light a candle and take 2 minutes quiet time to remember their sacrifices.

Complete the Remembrance Letter set as a **2do** on **Purple Mash** through **RM Unify**.

Finally, create a piece of art inspired by remembrance and the poppy symbol. Use the examples here for some inspiration.

Wellbeing – World Kindness Day – 13th November

“Carry out a random act of kindness, with no expectation of reward, safe in the knowledge that one day someone might do the same for you.”

Think about ways you can spread kindness this week at home: leave a note for someone to find unexpectedly, compliment your sibling, make a drink for your parents, send an email to your classmates, make a card for a neighbour. Look out for ways others are being kind to you too – even the smallest things make a big difference.
