

# Home-Learning

Year Group: 3	WEEK BEGINNING: 21/03/22
---------------	--------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

**Maths**  
**Oak Academy** – this week we’ll be returning to learning about multiplication and division facts. Complete a lesson each day (lessons 6-10) by clicking [here](#)  
Lesson 6 – exploring division strategies  
Lesson 7 – deriving new facts from multiplication facts  
Lesson 8 – using arrays to multiply a 2-digit number by a 1-digit number  
Lesson 9 - using dienes to multiply a 2-digit number by a 1-digit number  
Lesson 10 – exploring commutativity in multiplication

**Mental fluency** Try this [coin cruncher game](#) you can play make the total or how much, start on the easy level and then have a try at the hard level.

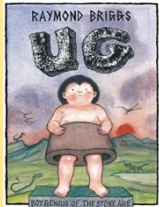

**Challenge – True or false?**  
 $5 \times 30 = 3 \times 50$   
Prove it.

**Irresistible Learning:**  
**History - Dig It topic**  
This week we will be focusing our learning on Stone Henge. Follow the [link](#) to complete the Oak Academy lesson all about this Stone Age monument.

**Science – Plants**  
Complete [this](#) Oak Academy lesson which is all about the way in which plants transport water. Work through the video, completing the activities along the way. You could even set up your own scientific experiment at home to learn about how plants transport water. Cut a piece of leafy celery (take care when using a knife!) and place it in a glass of water that has a few drops of food colouring in it. Observe the celery over the next few days. What do you notice?

**English**  
**Oak Academy** – this week we complete our Oak Academy unit on persuasive writing linked to healthy eating. Click [here](#) and complete one lesson each day (lesson 6-10).

**Extra writing challenge:** [Watch](#) the story of Ug then write a description of him. Remember to include expanded noun phrases, adjectives and similes.

**Reading:** Log onto [Bug Club](#) to see what books your teacher has given you to read. Perhaps you could create a book review of the book you most enjoyed reading.

**Spelling:** Log into **Purple Mash** and you will find your spelling list has been set as a **2do**. There is also a spelling quiz for you to complete. This week’s spellings are all **common exception words**.

**Wellbeing – Respecting Ourselves and Others**  
This week we are focusing on respect and how we can show it to both ourselves and others. Spend some time considering what respect means to you. What do you do in your daily life to show respect to other people – think about your parents, teachers and friends. Also think about the way in which you show respect to yourself.

Use some of these ideas to create an acrostic poem all about respect.

- R** Remember to use your manners
- E** Everyone should be included
- S** See the good in everyone
- P** Put others first
- E** Encourage everyone to do their best
- C** Care for others
- T** Take care of other people’s belongings

**This is RESPECT!**
